Clifton Park River, Parks and Trails Clean Sweep

Saturday, April 22, 2017, 9AM to 12PM

Celebrate "Earth Day" and "National Volunteer Week" by donating your efforts to help cleanup our trails, parks and open spaces throughout Clifton Park and along the Mohawk River.

This is a great opportunity for churches, synagogues, girl scouts, boy scouts, athletic teams and community groups to give back to the community.

Help us keep Clifton Park a beautiful place to enjoy and reserve a trail, park or open space to cleanup.

Call 371-6651 or email Councilman Amy Standaert
at astandaert@cliftonpark.org to sign up today!

The town will provide trash bags and will collect all trash and debris
