## **July 9 - Sirsy**

Fiery, soulful indie pop that rocks! A must see "Little Band" with a big sound. Although the only thing "little" about Sirsy is that there's just two of them. Close your eyes and listen to the power and heart in their music and you'll swear there's more than two people on stage. It's crank-up the volume music, even when the heartfelt ballads kick in. And why so much power? Melanie Kraemer on drums and vocals, Rich Libutti on guitar. That's why.
