Resolution No. 72 of 2018, a resolution accepting a proposal by Siemens Industry, Inc. for acquisition of streetlights within the Town and conversion to energy efficient LED lighting.

Introduced by \_\_\_\_\_ who moved its adoption, seconded by \_\_\_\_\_.

WHEREAS, on November 29, 2017, the Town published a Request for Proposals seeking proposals from interested entities for a performance-based energy contract to acquire existing street lighting from their respective utility company owners, and the procurement and installation necessary to upgrade all lighting fixtures to LED lighting under the Town's ownership, and

WHEREAS, by initiating its procurement, the Town proceeded under The New York State Streetlight Replacement and Savings Act, and related regulatory changes that authorized municipal acquisition of utility owned streetlights, and

WHEREAS, by resolution No. 72 of 2018, the Town Board accepted the proposal submitted by Siemens Industry, Inc. which provides guaranteed savings from energy efficiencies resulting from the use of Light Emitting Diode (LED) technology, reduced maintenance costs, and through the elimination of certain service and maintenance charges from existing utility owners, and

WHEREAS, by resolution No. 100 of 2018, the Town Board approved a Letter of Intent with Siemens Industry, Inc. which authorized Siemens to proceed with an Investment Grade Audit and related design work for the project, and

WHEREAS, Siemens Inc. has completed the Investment Grade audit, which compared the type, wattage, location and pole number for each street lighting facility within the Town, comparing the data received to existing inventories carried by National Grid and NYSEG, and

WHEREAS, Siemens has proposed an Energy Efficiency contract which includes the specification of replacement luminaires with comparable wattage, and lighting capacity, including GIS mapping for all fixture locations and smart city intelligent street lighting controls for installation after the acquisition of existing streetlights from the applicable utilities, as well as performance based guaranteed energy savings, providing the Town an opportunity to offset the costs of acquisition of the existing lighting and installation of upgraded LED lighting through energy savings and efficiencies; now therefore be it

RESOLVED, that the Supervisor is authorized to sign the Proposed Energy Efficiency Contract with Siemens Industry and be it further

RESOLVED, that the Comptroller is authorized to transfer \$556,165.00 from the Unassigned Fund Balance to A-5182-200.

Resolution No. \_\_\_\_\_ of 2018, a resolution re-establishing the Ballston Lake Sewer District No. 1.

Introduced by \_\_\_\_\_, who moved its adoption, seconded by \_\_\_\_\_.

WHEREAS, by Resolution No. 192 of 2015, the Town Board established the Ballston Lake Sewer District No. 1 in conjunction with the establishment of a companion sewer district within the Town of Ballston, and

WHEREAS, the total estimated expenditures for the joint project, including pipes, conduit, pumps and related equipment at the time of establishment was up to \$10,203,729, for the joint project, including engineering, legal, administration and construction costs, based upon Map, Plan and Engineering reports of Delaware Engineering and McDonald Engineering, and

WHEREAS, the applicable engineering reports established that approximately 14% of the properties benefitted by the joint project were in Clifton Park, and therefore, the estimated maximum amount of expenditures for the Ballston Lake Sewer District No. 1 within Clifton Park was estimated as that proportion of the total estimated expenditures for the joint project, and

WHEREAS, the annual cost to the typical property within the proposed District within Clifton Park was estimated not to exceed \$910 including debt service not to exceed \$700.00, and annual treatment fees, payable to the Saratoga County Sewer District, and

WHEREAS, the boundaries of the proposed Ballston Lake Sewer District area generally encompasses properties along the eastern and southern border of Ballston Lake in the Town of Clifton Park with borders generally described as beginning at the southern end at the boundary line between Clifton Park and the Town of Ballston near the intersection of Schaubert Road and Ballston Lake Road, including four parcels with frontage on Ballston Lake Road and/or Mill Road (SBL # 257-1-24; SBL 257-1-3; SBL 257-1-30; and SBL 257-1-6.1), more particularly described in Exhibit A, attached, said properties will be connected into the sewer collection system that serves the Town of Ballston Sewer District on the west side of Ballston Lake, and

WHEREAS, by Resolution No. 192 of 2015, the Town Board established the Ballston Lake Sewer District No. 1, and submitted the establishment to a public referendum and vote, which was held on October 14, 2015, pursuant to Article 12A of the New York State Town Law, and

WHEREAS, following approval by the electors within the district by special referendum on October 14, 2015, the Town Board established the Ballston Lake Sewer District No. 1, based upon this cost estimate contained within the Map, Plan and Report documents prepared by Delaware Engineering for the Town of Ballston, and McDonald Engineering for the Town of Clifton Park, and

WHEREAS, due to a statewide increase in construction costs since formation of the Sewer District in 2015, the cost to construct the sewer improvements is anticipated to be greater than was contemplated in the Map, Plan and Engineering Reports; and

WHEREAS, in August of 2016, the Town of Ballston was advised by the New York State Environmental Facilities Corporation that it had received a Grant from the New York State Clear

Water State Revolving Fund in an amount not to exceed \$2,559,563 (“The Clear Water Fund Grant”) for purposes of the Project; which Grant funds are to be utilized to offset design and construction costs proportionately across the Joint project, and

WHEREAS, on October 9, 2018 the Town Board of the Town of Ballston held a public hearing on a proposal to establish the sewer district within the Town of Ballston, and re-established the district by resolution, and

WHEREAS, the Town of Ballston re-established the district by increasing the maximum amount to be expended based on new and updated engineers’ estimates for the cost of design and construction to \$12,754,661.00 and to include the Clear Water Fund Grant in cost calculations, as well as adjustments in the number and classification of certain properties contained within the proposed district, and

WHEREAS, as a result of certain property consolidations and further analysis, the number of eligible properties benefitted by the proposed districts have been adjusted within both Towns, with adjustments resulting in approximately 13.26% of the properties to be included within the District in Clifton Park as a proportion of the Joint project, and

WHEREAS, after application of the Grant of funds from the New York State Clear Water State Revolving Fund is applied to the total cost of engineering, design and construction costs estimated for the joint project, the cost to the typical property on an annual basis has not increased, and

WHEREAS, the estimated annual cost to the typical property is estimated not to exceed \$910.00, after application of the NYS Grant funding, and

WHEREAS, the boundaries of the proposed Ballston Lake Sewer District No. 1 are as established by Resolution 192 of 2015, and

WHEREAS, these properties now represent 13.26% of this overall joint project within both towns, and

WHEREAS, the total estimated expenditures for the portion of the Joint project to be constructed in Clifton Park is \$1,900,000,

WHEREAS, the Town Board wishes to schedule a public hearing to receive comment on a proposal to re-establish the Ballston Lake Sewer District No. 1 within the Town; now, therefore be it

RESOLVED, that a Public Hearing will be held on December 3, 2018, at the Wood Room at 7:00pm on a proposal to re-establish the Ballston Lake Sewer District; and be it further

RESOLVED, that the Town Clerk is directed to publish appropriate notice of same.

Resolution No. \_\_\_\_\_ of 2018, a resolution regarding Legal Services for the Ballston Lake Sewer District Project.

Introduced by \_\_\_\_\_, who moved its adoption, seconded by \_\_\_\_\_.

WHEREAS, The Town is engaged in a Joint Sewer project with the Town of Ballston for the design and construction of sanitary sewer improvements within special districts established for that purpose within both Towns, and

WHEREAS, James P. Trainor, Esq. and the law firm of Cutler, Trainor & Cutler, LLP (“Attorneys”) have been engaged by the Town of Ballston to provide services within the Town of Ballston related to eminent domain proceedings necessary for the construction of improvements for the Ballston Lake Sewer District within the Town of Ballston, and,

WHEREAS, the Town Board wishes to initiate any proceedings necessary under the Eminent Domain Procedures Law with counsel for the joint project to ensure an efficient and timely process, with the fees and expenses related to their services in and for the Town of Clifton Park to be paid by the Town of Ballston and the Ballston Lake Sewer District; and

WHEREAS, the Attorneys will represent the Town Board and the Town of Clifton Park for all proceedings involving property rights within the Town; now, therefore, be it

RESOLVED, that the Town Board hereby approves and authorizes James P. Trainor, Esq. and Cutler, Trainor & Cutler, LLP as Special Counsel to the Town of Clifton Park to render eminent domain and related services legal services related to right-of-way acquisitions in the Town of Clifton Park for the Ballston Lake Sewer District Project.

Resolution No. \_\_\_\_\_ of 2018, a resolution authorizing condemnation of properties for Ballston Lake Sewer Project.

Introduced by \_\_\_\_\_, who moved its adoption, seconded by \_\_\_\_\_.

WHEREAS, the construction of sanitary sewer improvements for the Joint Project within the Towns of Clifton Park and Ballston require the acquisition of certain rights-of-way and real property interests for the operation and maintenance of public infrastructure within both Towns, and

WHEREAS, the property acquisitions necessary for the project in Clifton Park for the Ballston Lake Sewer District Project include 4 easements for rights-of-way which have not been completed, and

WHEREAS, in order to begin and maintain uninterrupted construction of the project without delay, the parcels listed in the attachment hereto located within the Town of Clifton Park will need to be acquired through the process under the Eminent Domain Procedure Law; now, therefore, be it

RESOLVED, that the Town's eminent domain attorneys, Cutler, Trainor & Cutler, LLP, are hereby authorized to pursue acquisition of the parcels listed in the attachment hereto pursuant to the Eminent Domain Procedure Law immediately; and be it further

RESOLVED, that Cutler, Trainor & Cutler, LLP are also authorized to prepare and file appropriate documents and engage expert witnesses and appraisers needed to value the properties and provide litigation support, the fees and expenses for which will be paid by the Town of Ballston and the Ballston Lake Sewer District as a component of the Joint sewer districts project.

Resolution No. \_\_\_\_\_ of 2018, a resolution setting the EDPL Public Hearing regarding the Ballston Lake Sewer District Project.

Introduced by \_\_\_\_\_, who moved its adoption, seconded by \_\_\_\_\_.

WHEREAS, Article 2 of the New York State Eminent Domain Procedure Law requires that a Public Hearing be held by the Clifton Park Town Board to consider the acquisition of certain real property in the Town of Clifton Park on East Side Drive within the general project boundaries around Ballston Lake on the east side from East Side Drive and Schaubert Road to Lake Road extending to Eastline Road on the west side of the lake, including Westside Drive from Mill Road and Main Street, Glenridge Road, Whites Beach Road, Powers Lane and Outlet Road to a connection point on Lake Road, and parcels adjacent to several private streets along Ballston Lake as well as the Buell Heights neighborhood and the Main Street area of Ballston Lake including Mill Road; and

WHEREAS, the purpose of the hearing is to inform the public, to determine and consider the need and location of the proposed acquisitions, to review the public use to be served, and to assess the impact of the acquisitions on the environment and the residents prior to acquisition of those properties; and

WHEREAS, the proposed acquisition maps of the Clifton Park properties and the project Map, Plan and Report are available for public inspection at the Clifton Park Town Clerk's Office during regular business hours; now, therefore, be it
